

Laboratory activities

LAB NUMBER **FOUR**
GROUP NUMBER **FIVE**

Ahmadreza Vakilalroayayi | Computer Technology | 2017 Nov 06

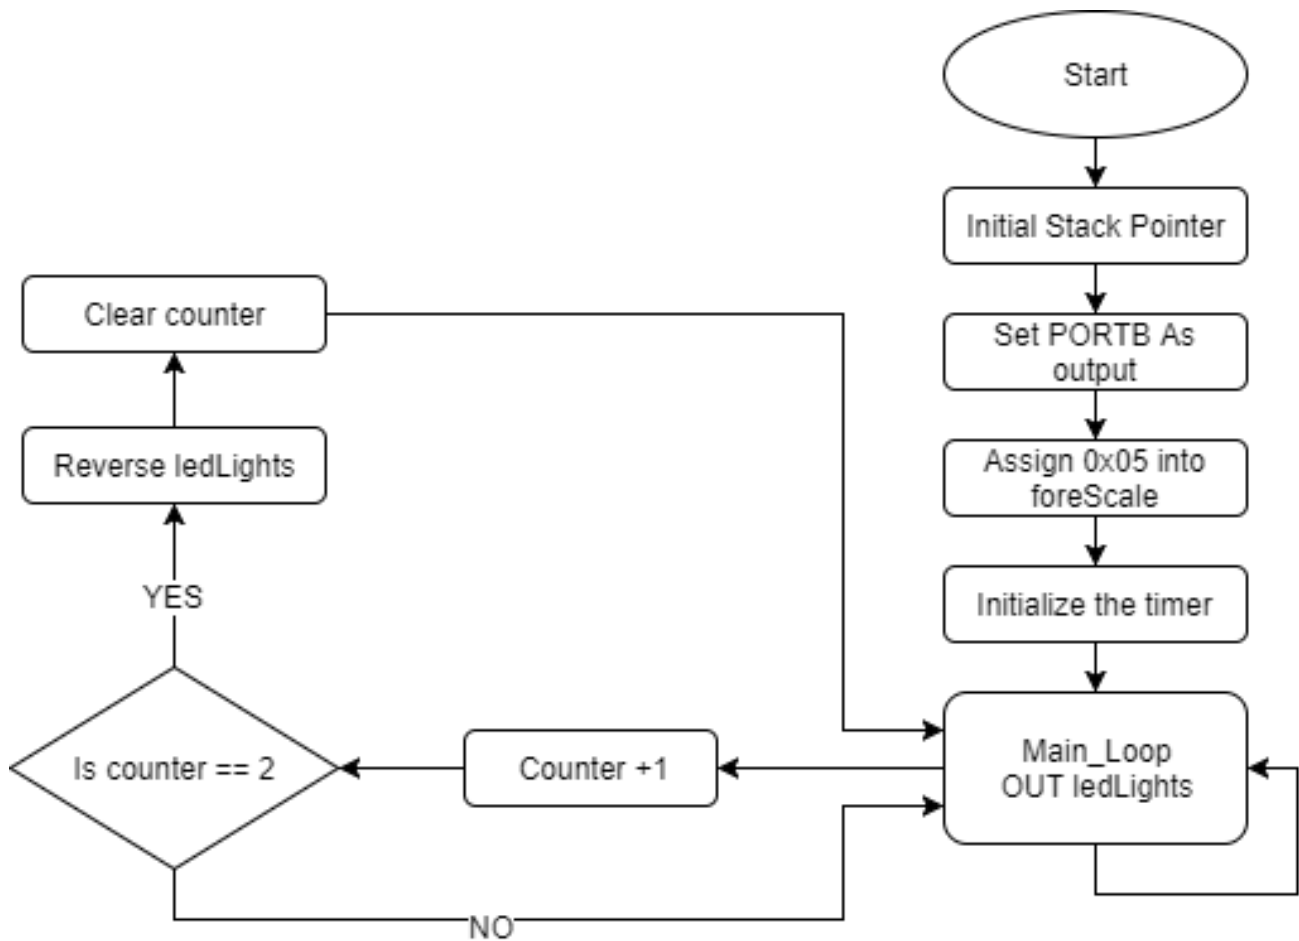

Linnaeus University

Let's get started for LAB FOUR!

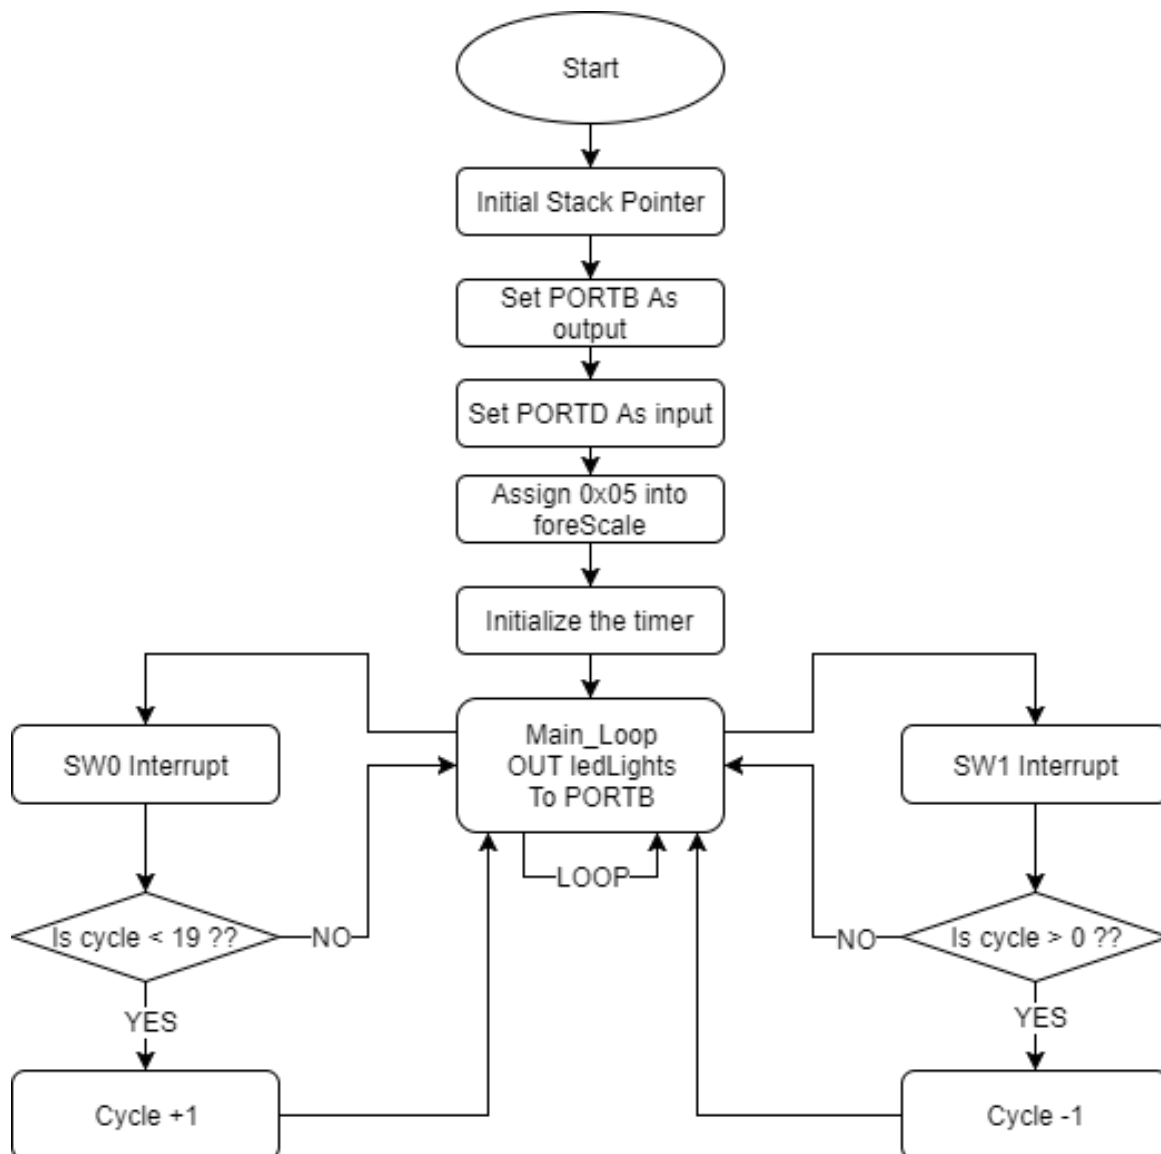

By opening the ASM files you can find comment in front of each line which can describe everything. Here I will focus on "Flow Charts".

By comparing the code, comments and flow charts, it can be clearer to understand how each task is working. PNG (Flowcharts) files are also included into the main folder.

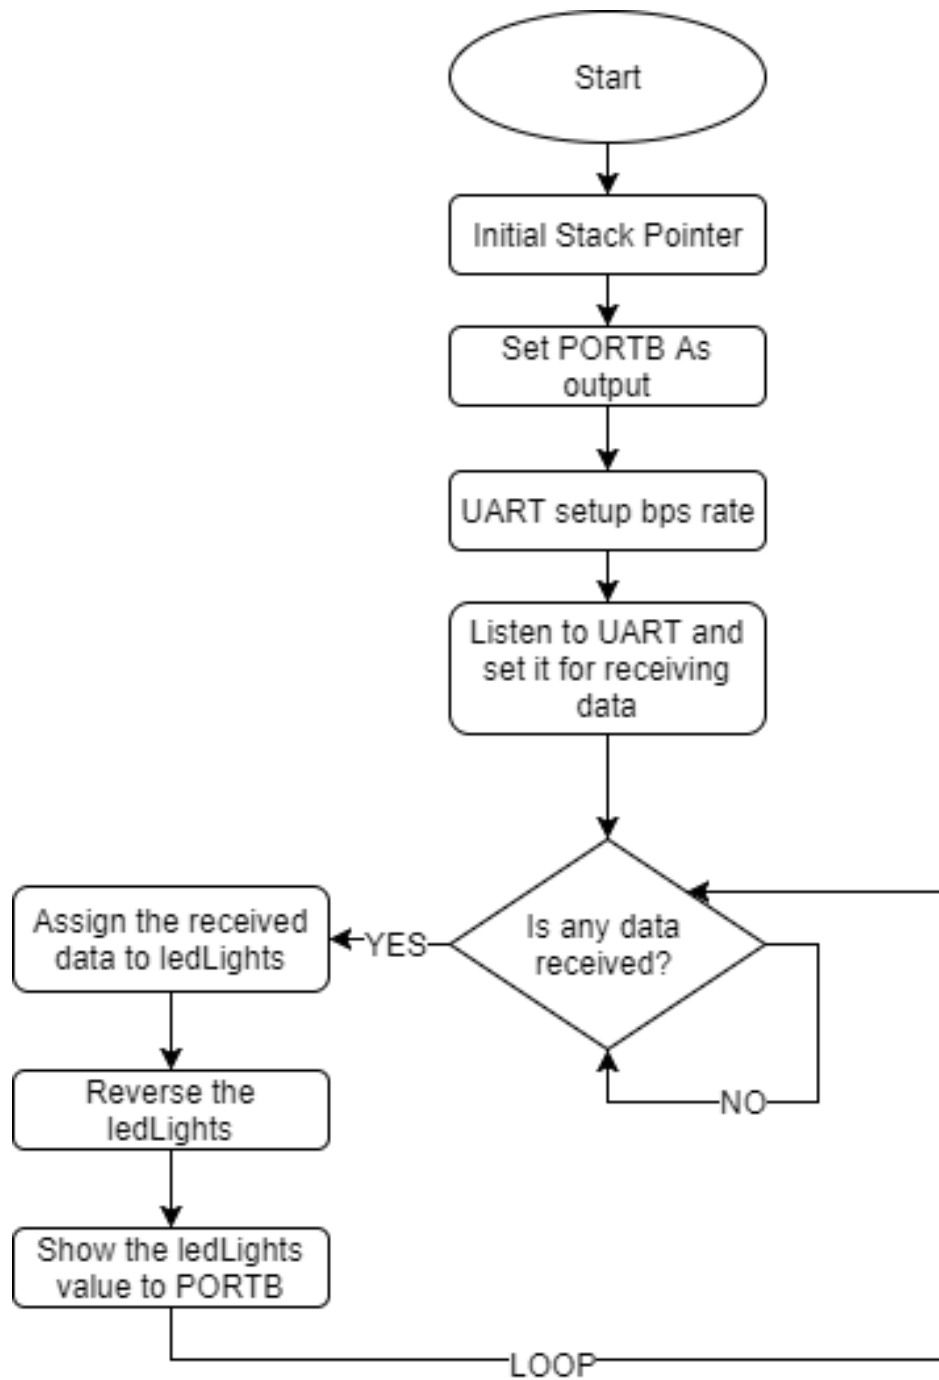

Task 1:

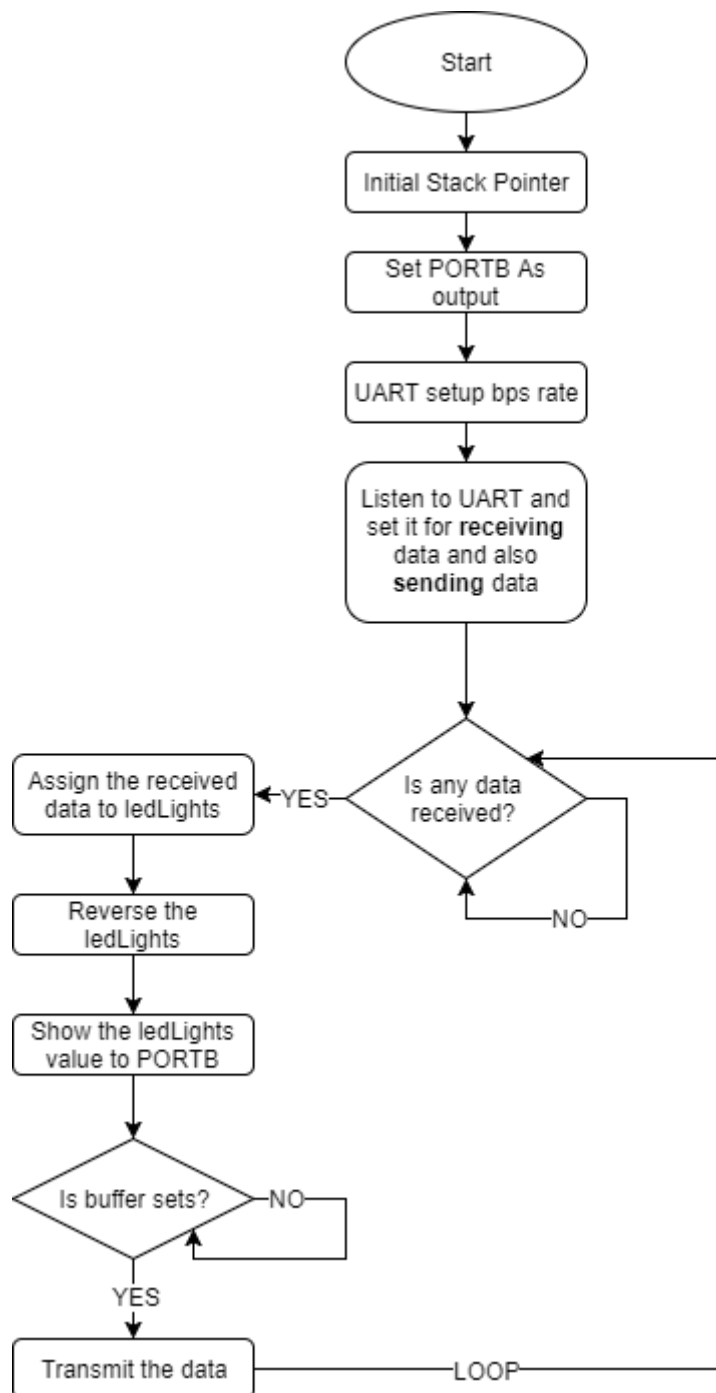

Task 2:

Task 3:

Task 4:

Task 5:
