## Let's get started for LAB FIVE!

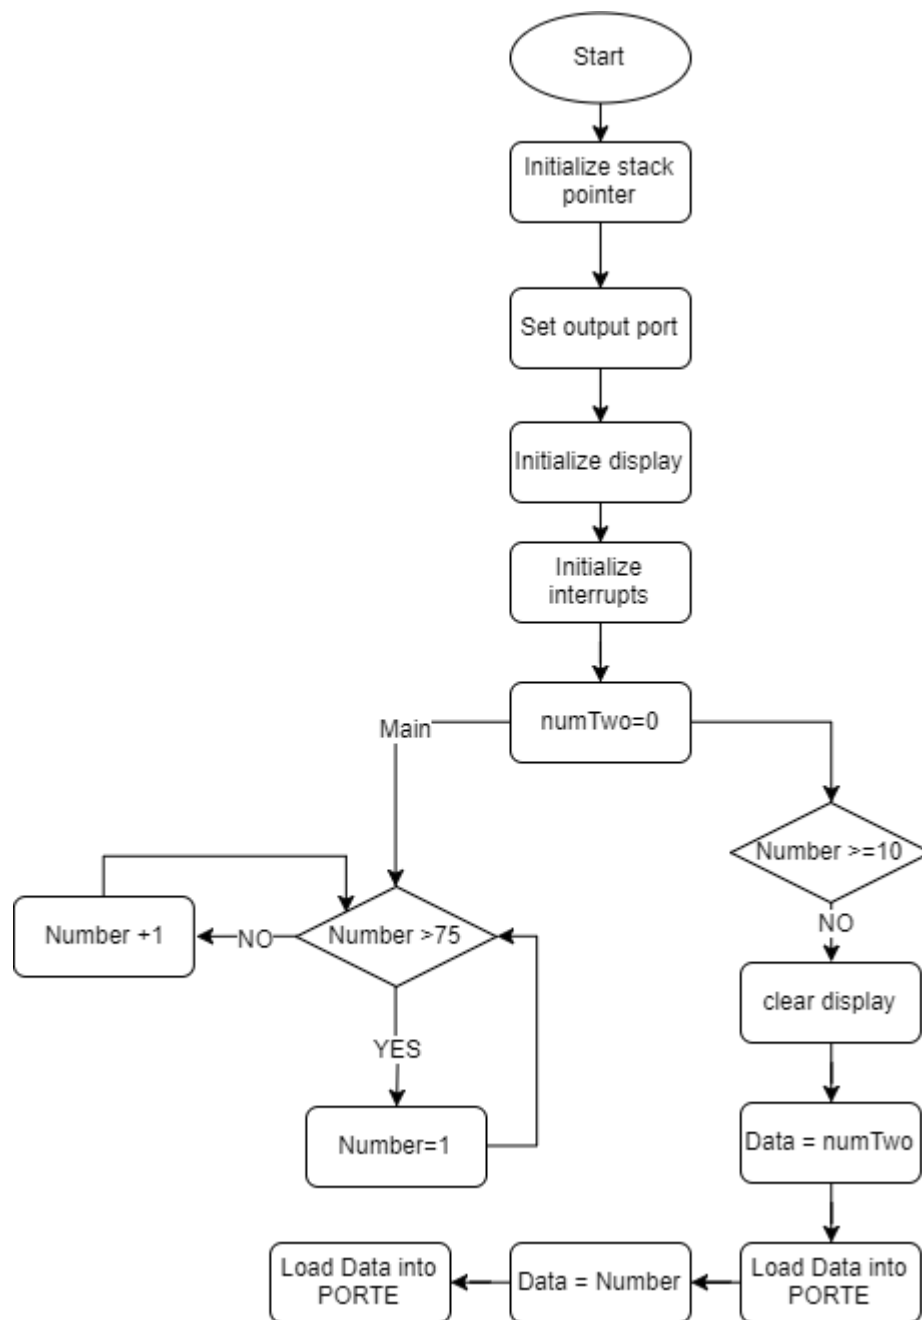

By opening the ASM files you can find comment in front of each line which can describe everything. Here I will focus on "Flow Charts".

By comparing the code, comments and flow charts, it can be clearer to understand how each task is working. PNG (Flowcharts) files are also included into the main folder.

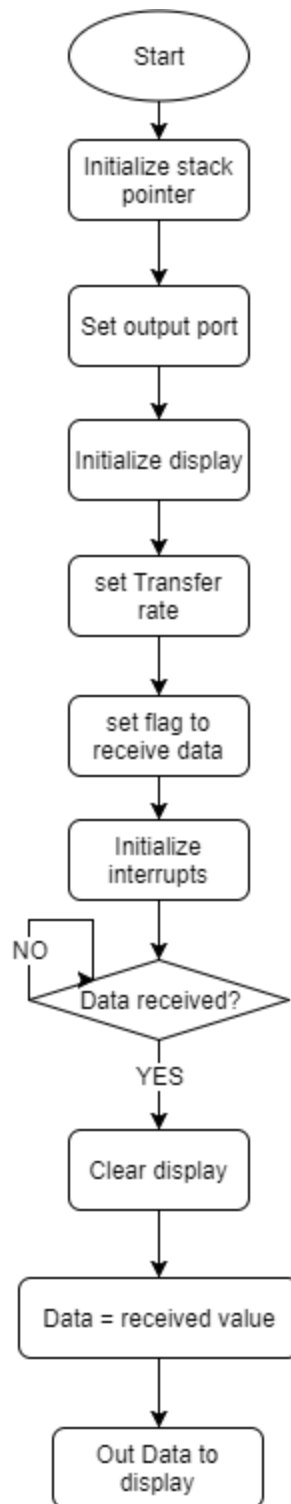

### Task 1:

## Task 2:

## Task 3:

# Task 4:
